INTERIOR FEATURES OF NOTE (DESCRIBE FLOOR PLANS, IF NOT SKETCHED)

The interior is altered. Of note are the horizontal wood sliding windows (see photo HABS No. TX-3339-7). Windows of this type are described in the War Department Manual of the Construction Division, Section C., Plate 5. They are typical windows for World War I Cantonments.

MAJOR ALTERATIONS AND ADDITIONS WITH DATES

There are no significant alterations. A rubble rock chimney was added to the south corner in 1933-1934.

PRESENT CONDITION AND USE

The building needs major repair. The brick masonry walls are bulging and the roof is sinking. It is used for Youth classes.

OTHER INFORMATION AS APPROPRIATE

The building will be repaired. It will be included in a historic district.
